

Hot Ruby
CRANBERRY CIDER

Welcome a new tradition into your home.

Hot Ruby is a cranberry cider, unlike typical cider, our family recipe marries cranberry and citrus juices infused with an exquisite blend of spices. Perfect for the holidays or anytime! Shake well and serve Hot or Iced.
All natural, vegan, gluten, non-alcoholic and dairy-free! Ruby

We're so excited for you to taste our cranberry cider & will follow up with you once you have received this sample. You'll love it!
