Inspiration you can hold

Hand Crafted by Skilled Artisans

Our Comforting Clay™ crosses are truly works of art. Using all natural kaolin clay and the millefiori clay caning process, each cross is individually hand-crafted.

1. Choosing the colors

2. Mixing the colors

3. Layering the Background

4. Making the Cane

5. Finishing

6. Hand Squeezing

As a final step...

each one is gently squeezed by the sculptor making them so comfortable to hold.

In addition to hand held crosses, our miniature pocket crosses are easy to carry, and our decorative clip versions can beautifully adorn handbags and backpacks.

MINIMUM ORDER AMOUNTS: Plush items ship from Warehouse 1 and carry a \$175.00 order minimum. Crosses, balloons, and jewelry ship from Warehouse 2 and carry a \$75 order minimum. Minimum order amounts also apply to each ship date, i.e., products that are in stock and ship soon after being ordered, or products that are available and ship at future dates.

PAYMENT TERMS: Major Credit Cards | Net 30 days | COD. If you would like to apply for Net 30-day terms, please request a credit application or download one from our website. Alternatively, your own prepared credit reference sheet might be sufficient. Credit sheets should be emailed or faxed to our accounts receivable department: ar@firstandmain.com; 630-587-10001. Allow 2-3 business days for approval.

CLAIMS: Claims for defective merchandise must be made within 15 days of delivery. Claims for damaged or missing cartons must be made with the carrier.

CASE PACK PRICES: Merchandise must be ordered in case pack multiples to receive case pack prices.

PRICES: Prices are subject to change without notice.

FINANCE CHARGES: 1.5% of past due balances will be charged for each month payments are late. \$35 is charged for returned checks.

AVAILABILITY: Order early to ensure that your favorite items are available when you want them shipped. Items are billed only when they are shipped.

BACK ORDERS: Products that are temporarily out-of-stock will be backordered unless you direct us otherwise. Backorders may be cancelled if their value is less than \$50. We request that you re-order cancelled, backordered products pursuant to availability dates. Please consult a Customer Service Representative for updated availability information.

UPC CODES: All items inside this catalog have paper tags with scannable UPC codes.

RETURNS: Returns of products are subject to restocking and refurbishing charges. Sorry, we cannot accept returns of seasonal merchandise or items with damaged tags (ones that have price stickers, are bent, etc.). Please call Customer Service for a Return Authorization ("RA") Number for authorized returns. RA numbers must be legibly displayed on the outside of returned parcels. Freight charges are not reimbursed.

RESERVATION POLICY: Products are reserved for future ship dates, but the products reserved are ones that are received or available then, not necessarily those that are available at the times when orders are placed. Therefore, it may not be possible to advance previously requested ship dates if orders are products that have been reserved by customers who requested earlier ship dates.
