General Disclaimer

The images are taken in studio light. Overall colours and shades may vary. Every product is handcrafted and completely unique and might vary in colour, size, texture and thickness. Small bubbles and irregularities may occur and are not perceived as production faults. Do not rinse any Décor glassware. Wipe clean with a dry cloth.

All our wooden products are made from authentic wood. Rinse your wooden kitchenware under normal water, do not let it soak; soaking will make it split and warp. Wipe it dry with a tea towel and let it air-dry.
