# Welcome to ScandiCal

Paul from **California**, and Bodil, from Denmark (**Scandinavia**), created **ScandiCal**. Based in Las Vegas, Nevada, ScandiCal has become the premier domestic manufacturer of custom souvenirs and personalized products for the gift trade.

**ScandiCal products are made in the USA**, ensuring faster lead times, flexibility in fulfillment of customer items, and confidence that the product quality is guaranteed by a US manufacturer.

As a customer, you can rest assured that we will stand by our product and it's performance. As a leader in the industry, it is our goal to create relationships that last many years.

**ScandiCal offers a Net 90 Day Guarantee Trial\*** We offer this incentive because we are confident that once a product is in your store, you will recognize its success. If the program does not meet your expectations, customers pay for the product sold and return the remainder. Adding a ScandiCal program presents no risks, only rewards.

So once again, welcome to ScandiCal. We are pleased to have you with us and look forward to a successful relationship together!

\*See terms and conditions for details.

“

The merchandise we purchase from ScandiCal sells amazingly well. The items we purchase are very profitable and the displays attract the shoppers.

The merchandise is the **top seller in all of our locations.**
