GERSON HOME & GIFT

Lone Elm Candle Company

Lone Elm
CANDLE COMPANY
Beautiful Containers • Fine Fragrances • Hand poured

The Gerson Companies, best in the industry for our LED flameless candle Line, now brings to market **Lone Elm Candle Company,** our line of scented wax filled burn candles. Our candle line features an assortment of unique vessels made from glass, ceramic, cement, and wood, all of which are crafted to be reusable long after the candle's life.

Each candle in this collection is hand-poured with a proprietary blend of high-quality wax ensuring a longer, cleaner burn. The scents are carefully curated, designed to evoke different moods and atmospheres. Perfect for relaxation, meditation, or simply elevating the ambiance of any space.

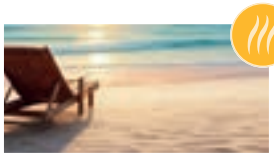
Our Fragrances

Sandalwood: *A harmonious blend of earthy, woody, and creamy notes that encompass a sweet and slightly spicy profile, which hints at incense-like sweetness and a subtle, musky undertone.*

Driftwood: *A distinctive blend of natural, woody, and maritime elements that are reminiscent of the sea, with hints of saltwater, seaweed, and a touch of sea breeze and a sense of being weathered by the elements.*

Fresh Linen: *This scent encapsulates a crisp, clean, and airy fragrance reminiscent of freshly laundered fabrics. It carries a delicate, light aroma, evoking a sense of purity and cleanliness.*

Sunkissed: *Conjures up a vibrant, warm, and radiant aroma sensation reminiscent of sun-soaked elements and the subtle hint of warm, sun-drenched skin, with a touch of coconut and tropical oils.*



Sweet Vanilla: *Our vanilla scent is warm, sweet, and inviting, and has a rich, creamy, and slightly spicy aroma creating a comforting and familiar fragrance.*

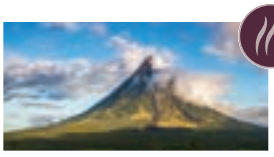
Baked Apples: *A comforting and inviting aroma that carries the sweet, warm essence of your childhood home with a hint of spices.*

Autumn Spice: *A warm, inviting blend that captures the essence of the fall season, combining rich, comforting spices like pumpkin, cinnamon, nutmeg, cloves, and a hint of ginger.*

Winter Pine: *The winter pine scent transports you to a snowy forest with its sharp and invigorating aroma of fresh pine needles, capturing the essence of a brisk winter day.*

Cozy by the Fire: *As the candle burns, a captivating bouquet unfolds, blending the soothing scent of lavender with the delicate allure of woodland violet and charred spice.*

Volcano: *Crafted to invigorate your senses and transport you to a tropical paradise. Experience the sweet allure of Plumeria, the tangy zest of red apple, the brightness of orange zest and the fresh burst of strawberry, grapefruit, pineapple, and yuzu,*



Gilded Woods & Tobacco: *Transitioning to the heart of the fragrance, a rich blend of tobacco, nutmeg and night blooming jasmine emerges, evoking a sense of mystery and allure.*

Sugar Cookies: *A warm embrace from the oven—sweet, buttery, and comforting. Imagine notes of caramelized sugar mingling with the rich scent of butter.*

We ask for photos to accompany all damaged/defectives/broken items. This helps us work with our factories on product and/or packaging improvements.

Additional fees are assessed for special services including lift gate, inside delivery, limited-access locations, and all residences.
