PRODUCT CATALOG

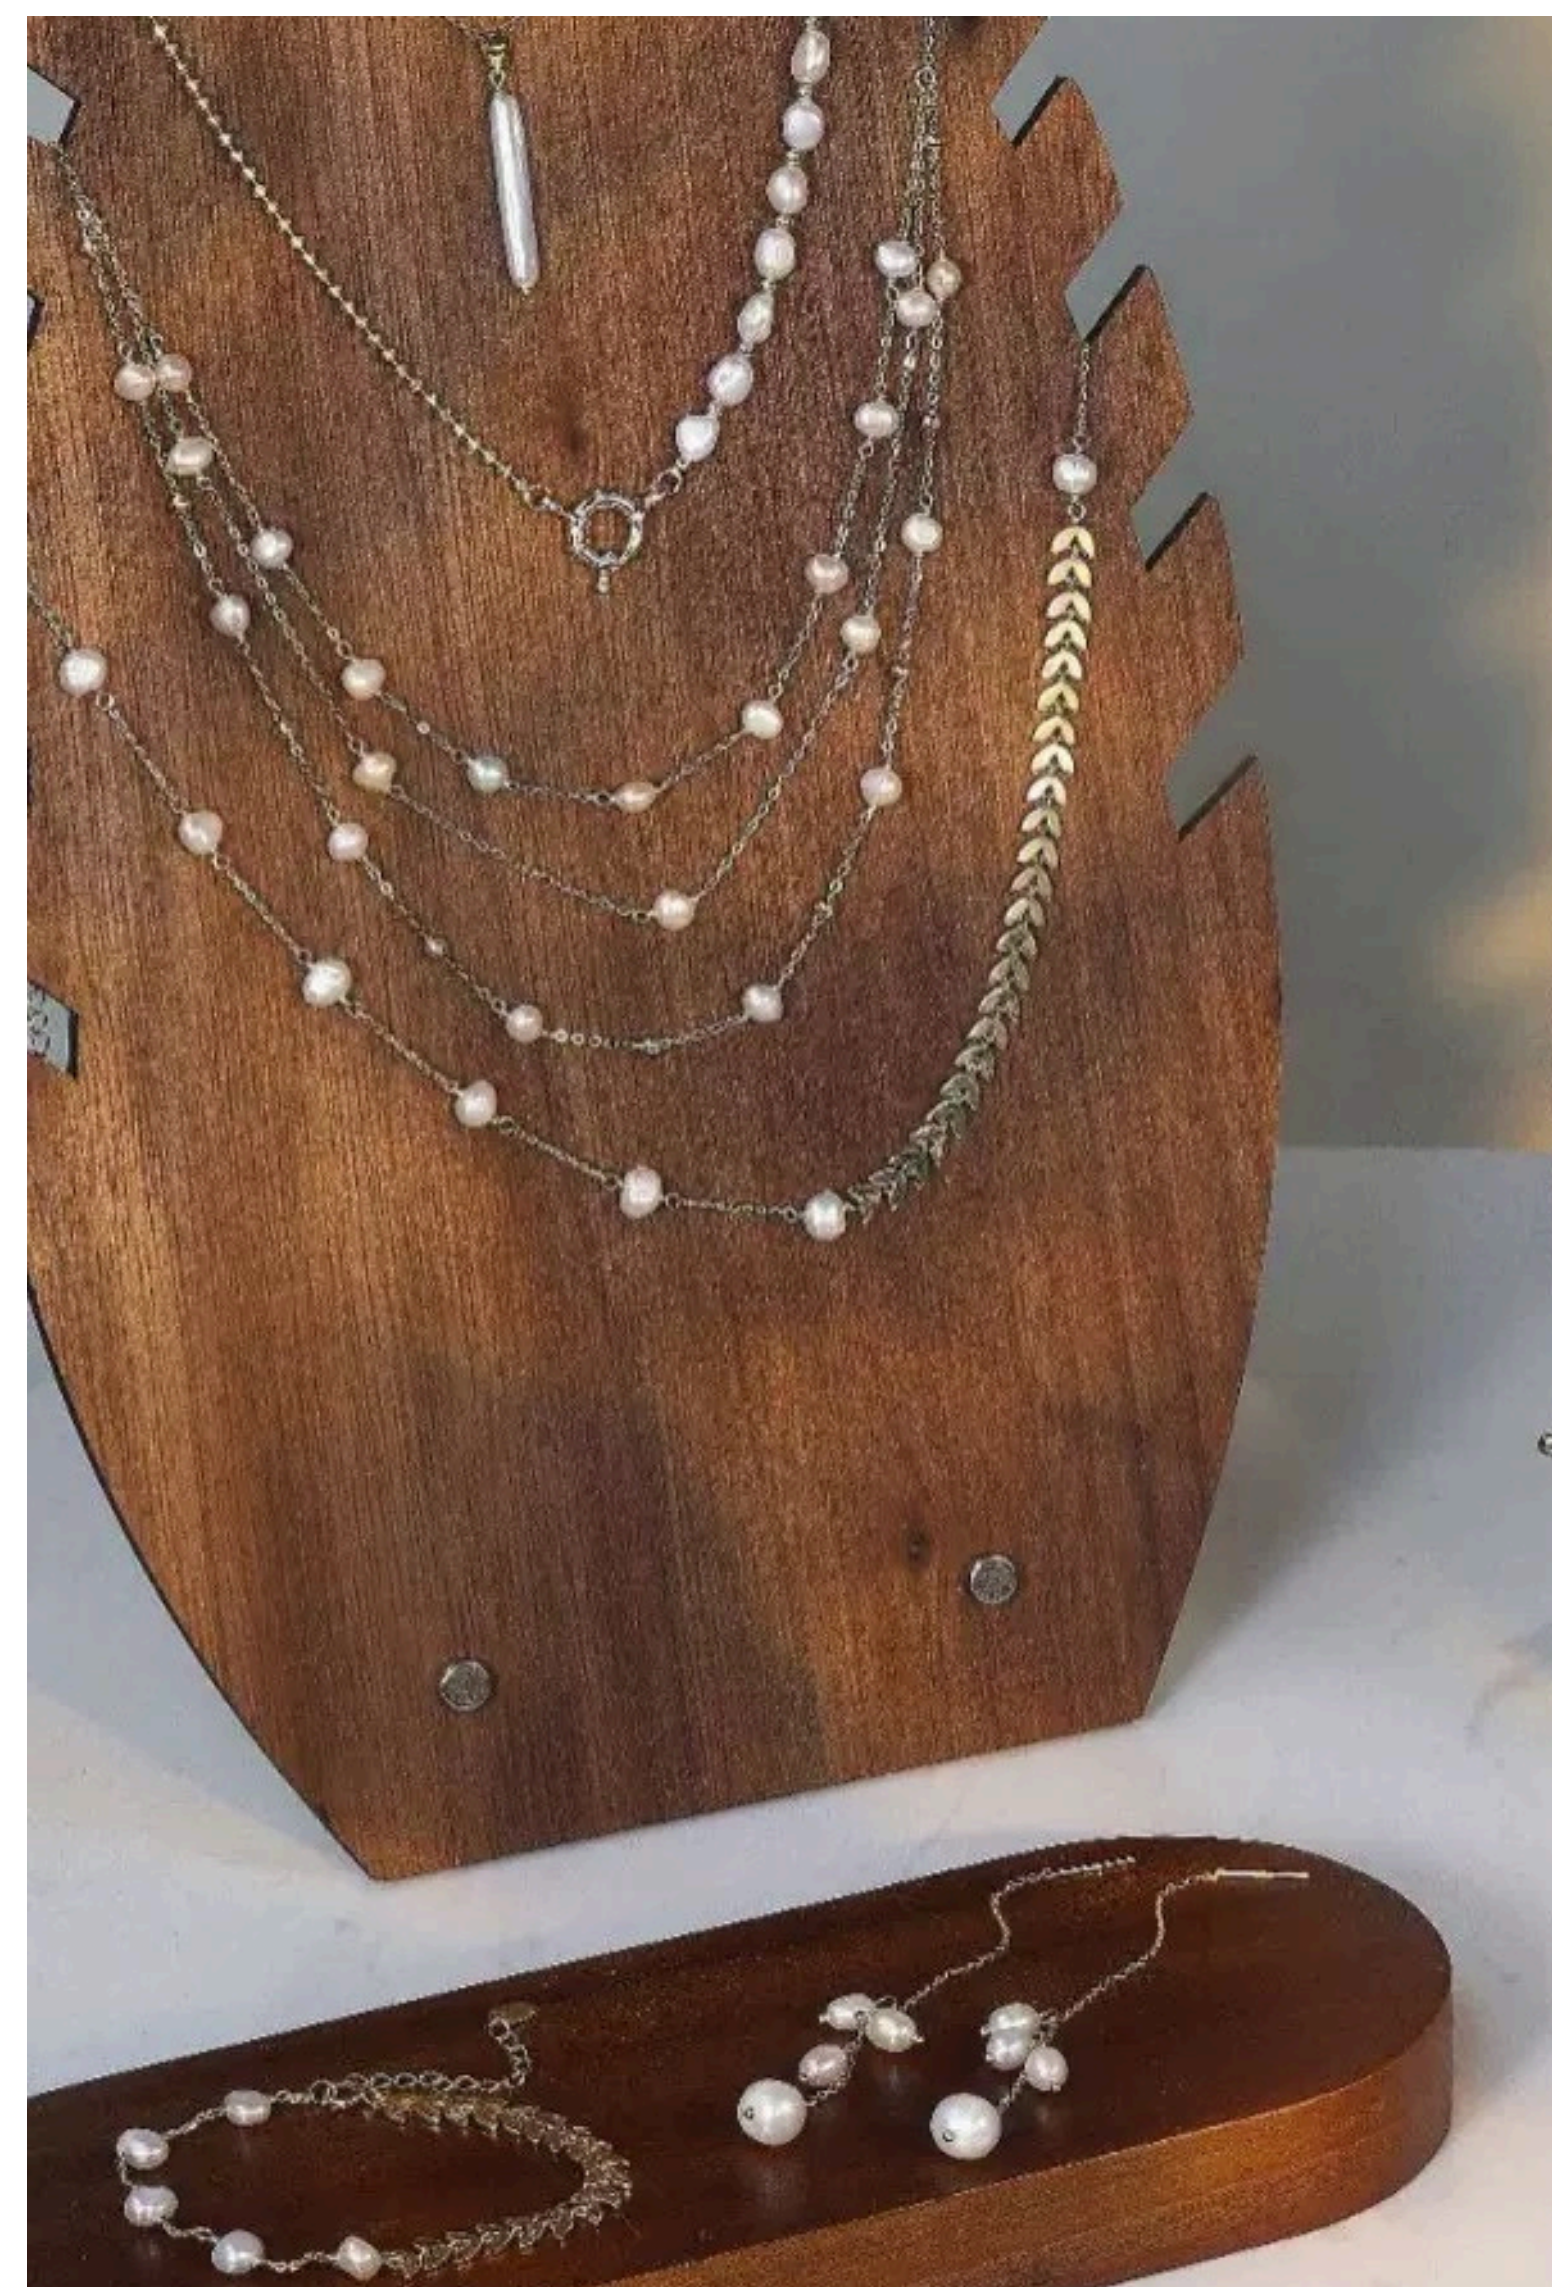

# OUR STORY

Starlight is a modern pearl and gemstone jewelry brand inspired by nature and grounded in inner strength. We celebrate individuality – the courage to grow, the confidence to choose your own path, and the belief that real beauty begins within.

The brand was born from a personal loss, when a loved one left me her pearl jewelry and reminded me that hard moments become the light we carry forward. Like a pearl formed through time and pressure. Our designs reflect that journey: timeless, organic, and subtly artistic.

- Aesthetic: Nature-inspired, minimal, sculptural
- Materials: Premium, skin-safe, nickel/lead/cadmium-free
- Positioning: Modern, meaningful jewelry for the U.S. lifestyle
- Target Customer: Women who value authenticity, intention, and long-lasting style
- Price Point: Accessible luxury suitable for boutiques & gift shops
- Why it sells: Emotional storytelling + timeless design + high giftability

# CREATIVE INSPIRATION

Where Simple Beauty Begins

Starlight's inspiration began with a simple, lasting message: strength grows quietly, the way a pearl forms — layer by layer, shaped by time and experience. This idea guides our designs, blending organic shapes and soft asymmetry to reflect the beauty found in resilience. Each piece is created to honor the light we carry forward and the personal stories that make us who we are.

# MATERIALS & CARE

- Our pieces are crafted in 925 sterling silver with premium 14K gold plating.
- All freshwater pearl designs use ethically sourced, natural pearls.
- Our gold-plated jewelry features a durable layer of gold, designed for long-lasting shine.
- Tarnishing can naturally occur over time, especially when jewelry is stored in humid environments.
- We recommend removing jewelry before showering, swimming, sleeping or applying perfumes, lotions, and cleaning products.
- To clean your jewelry, gently wipe with a soft polishing cloth. Pearls should only be cleaned with a damp, soft cloth.
