# FROM RUBBER DUCKY

Dear Friend,

Thank you for taking the time to explore Rubber Ducky Sunscreen. These pages showcase premium sun protection products and tell the story of a company built on four decades of heart, integrity, and unwavering commitment.

When my wife and I acquired Rubber Ducky in June 2023, we embraced a legacy that began in 1983. This remarkable family business' dedication to building meaningful relationships drew us in. We saw a brand that truly serves with heart and integrity, and we continue that tradition with honor.

Every product demonstrates our commitment to quality, value, and intention. We focus on what truly matters: creating high-quality, effective products that meet real world applications. From traditional and mineral sunscreens to organic lip products, we're expanding our product lineup to a diverse family market. We're a passionate family dedicated to protecting your customers' skin and earning your trust, one product at a time.

At Rubber Ducky, we are excited to expand our retail network and as you join our growing community, we look forward to welcoming you into our family.
