FLORAL NECKLACE

Elegant for Every Moment

OUR STORY

Starlight Jewelry began with a simple idea:

to create jewelry that feels personal, meaningful, and quietly beautiful.

We started with pearls because pearls are formed slowly, layer by layer, through time and pressure.

They remind us that beautiful things don't happen overnight — they grow with patience, resilience, and time.

Every Starlight piece is designed to be worn every day, not just for special occasions — a small reminder of strength, growth, and the light you carry within.

- **Aesthetic:** Nature-inspired, minimal, sculptural
- **Materials:** Premium, skin-safe, nickel/lead/cadmium-free, finished with long-lasting PVD gold plating
- **Positioning:** Modern, meaningful jewelry for the U.S. lifestyle
- **Target Customer:** Women who value authenticity, intention, and long-lasting style
- **Price Point:** Accessible luxury for boutiques & gift shops
- **Why it sells:** Emotional storytelling + timeless design + high giftability + durable, tarnish-resistant finish
