Summer Fruits

Inspired by French markets bursting with vibrant colour, Matisse still lifes and vintage posters, this mix-and-match design captures the feeling of juicy fruits exploding with flavour through bold, clashing backgrounds. Retro wiggle stripes and bold cursive lettering, combined with a loose painting style, give the design a cool, naïve charm.

Vegetable Medley

Inspired by vintage horticultural drawings and the rising popularity of gardening, this design connects with nature through nourishing greens and a botanical aesthetic. Influenced by heritage illustrations and retro graphics, it features an earthy autumn colour palette. The cool seafoam background adds a fresh, modern twist, making it a perfect blend of tradition and contemporary style for any space.

Woolly Sheep

A picturesque pastoral scene for country enthusiasts everywhere. The curly fleeces and friendly expressions of these hand-illustrated sheep with their lambs add fun, while the bright meadow flowers are the perfect finishing touch against a backdrop of muted warm green inspired by springtime walks through the lush Northern Irish countryside.

Bee Bloom

A contemporary twist on a traditional Arts & Crafts inspired print. With bee prints still a popular trend, you can be sure to stay ahead of the curve with our Bee Bloom collection. Sinuous leaves and foliage intertwine with buds and blooms while bees buzz lazily through the cacophony of stylised sprigs back to their hives. Honey and orange-coloured flowers blend with mint green hues while the block printed black leaves are the ideal contrast.

Emmeline

This design combines inspiration from arts and crafts with paisley patterns, given a modern twist through a bright chartreuse-yellow background. It pairs beautifully with a dark kitchen for a gothic look, while also complementing traditional spaces. The heritage design features vintage neutrals with an aged, timeless quality.

Christmas Ornaments

Inspired by the tradition of heirloom Christmas ornaments collected over generations and retrieved from the attic each year, this design is hand-painted using mixed media. Drawing from traditional illustrations in vintage fairytales like *The Nutcracker*, it features stripes and harlequin trims for a contemporary circus feel that's on trend. This collection is perfect for creating a carefully curated tablescape, ensuring a show-stopping Christmas table.

Design Your Own

If you can't find what you are looking for why not design your own! The possibilities are endless in the variety of products we can design, source and produce.

Bespoke Made in UK Tea Towel Guide

- 12 Colour Screen Print, or Digital Print.
- Minimum order quantity is 252 units for either print method. For 7-12 colours with Screen Print, MOQ is 504 units.
- Choose from your own bespoke swing tag, header card or wrap band.
- We can also provide your own branded care label too.
- For a more cost-effective option we can print your design on a tea towel with a white border and our own Ulster Weavers care label.

Development Process

1. Submit your artwork or collaborate with our in-house design team to develop concept ideas.
2. Receive layouts showing the design on your products for full visual effect.
3. Once you are happy, we will send you full-scale CAD print out for approval. For digital designs we can also provide a sample.
4. After finalisation we can proceed to bulk production.
5. We always aim to have your items ready for delivery within 12 weeks.

This is just an initial guide of how we can work together. Project times may vary depending on lead-times of design, production and packaging manufacturing. We will always ensure to work within your budget and time frame offering full support and guidance. We can also supply other bespoke items, such as aprons, oven gloves, bags etc. Please contact us to discuss these opportunities further.

If this sounds like something of interest, we would love to hear from you.
